# MULTIPLIED

STEWARDSHIP  
CAMPAIGN

## JOHN 6:11–12

Jesus then took the loaves, gave thanks, and distributed to those who were seated as much as they wanted. He did the same with the fish. When they had all had enough to eat, he said to his disciples, “Gather the pieces that are left over. Let nothing be wasted.”

“As stated in the Gospel of Luke, we are asked to be generous as followers of Christ. Generosity doesn’t mean doing what is easy but doing what is needed to reach out to others in ways that make a difference in their lives. That’s why our family supports St. Andrew and our ministry of inclusion, compassion, and Christian love.”

## BREAKING THE BREAD

Jesus once took a loaf of bread, broke it, and gave it to his disciples, saying, “This is my body broken for you.” Later, the Apostle Paul taught that all who follow Jesus have become the body of Christ in the world.

And so, every time followers of Jesus share in the sacrament called Communion, this powerful prayer is spoken:

“May these gifts of bread and cup be for us the body of Christ, that we might be the body of Christ for the world...”

The loaf of communion bread on the altar is not only a symbol of the life and love of Christ—it’s also a symbol of all those who follow his way in this world. We, like that loaf, are blessed, broken, and given to the world in love.
