It's About Loving Others

Join us for our annual day
of service in the Denver
Metro Area.

gostandrew.com/BigServe

Letter from Rev. Mark

Dear St. Andrew Family and Friends,

May 6th marks the eighth annual Big Serve Weekend where the St. Andrew community joins together in serving and loving others in our community.

Together we can expand our community impact both on and off campus. This year's projects include serving at Café 180, packing welcome gifts for Newborns in Need, and sorting medical supplies at Project Cure. Many of the projects are multi-generational so that the whole family can serve together. Regardless of your age or ability, we have a service project for you.

Led by our Outreach Director, Jamie Martin, and a dedicated steering committee, the Big Serve is an easy and fun way to serve alongside others whether you're serving for the first time, or you regularly serve with St. Andrew's Outreach Ministries. I hope you'll join me and the hundreds of your friends from the St. Andrew community for this year's Big Serve.

To learn more, select where you'd like to serve, and register, please see the catalogue or visit gostandrew.com/BigServe. I look forward to serving alongside you on May 6th!

Be well and be a blessing,

Rev. Mark
