Current Sermon Series

Talk Like Jesus:

The Power of Nonviolent Communication

October 20 – November 3

Jesus transformed troubled relationships into joy-filled connections. He embodied the values of love, mutual respect, responsibility, and compassion—even in moments of conflict, crisis, and uncertainty. Jesus had a way of communicating with others across social, religious, cultural, and political divides that prioritized relationships over being right and turned adversaries into friends. In this three-part series, we'll learn some of the basic principles of nonviolent communication modeled by Jesus that can restore our frayed relationships and heal our broken world.
