UNITED METHODIST CHURCH

# everybody

## With heart, soul and grace.

Our welcome is wide and God's love inclusive. One of our deepest values is belonging. We are a community with an unequivocal commitment to fostering a Christ-like acceptance that transcends difference, division, and intolerance, where everybody is included, affirmed, and celebrated.

St. Andrew is a place of welcome and community where everybody has value and worth. We understand that everyone's journey is unique, and we celebrate the diversity that enriches our church family.

Here, people find space to explore faith, ask questions, and connect with others.

...everyone who believed...

*was of one heart and soul... everything they owned was held in common... grace was upon everyone... and there was **not a needy person among them.***

**Acts 4:32-34**  
(paraphrased from NRSV)

## Sharing God's love in the world.

Community is more than a place, but a connection; it is a living expression of Christ's love among us. Sharing God's love transforms not just our own lives, but also, the lives of many, reminding us that we are all part of the family of God.

At St. Andrew we seek to serve the common good, and live out our faith through acts of worship, justice, outreach, and compassion, sharing God's love in the world and with the world.

Our online presence at St. Andrew reaches more than 2600 people each week - throughout the world and in our own backyard.

**We are united in purpose and hope from UMC of Eagle Valley in CO, to Warsaw, IN and Nairobi, Kenya.**

## Go into the world.

*Go everywhere and announce God's good news to everyone...*

**Mark 15:16**  
(paraphrased from The Message)

# every day

St. Andrew is a place that impacts the lives and hearts of all ages, each day, seven days a week.

Whether it's through our Sunday worship services, music expressions, kids and youth ministries, volunteering at the St. Andrew Market, our care and support ministry, inspiring adult education offerings, or senior fellowship, St. Andrew is home for countless daily opportunities to bring more love, justice and community into the world.

## Every day.

“ **Stewardship means taking responsibility for what God has entrusted to us.**

Each of us should prayerfully consider our contribution given our goals of supporting this faith community and our vision of extending our love and support across the world.
