

Thank you for your interest in volunteering at the St. Andrew Market!

We love welcoming scouting groups, book clubs, sports teams, schools, friend groups, and teens or individuals needing community service hours. Volunteers are the heart of the St. Andrew Market—organizing, operating, and making a real difference in our community.

Group volunteering offers flexible scheduling, with availability any day of the week except Thursday.

For more information or to schedule a group, please email market@gostandrew.com

We look forward to meeting you!
